Hi Kelly and Beth,

Sorry for the short notice, Shane Belcher and I just noticed you all were not on the email for the ACE meeting today. If you can, we would like for you to join us at 9am. If not, we can have a conference call to discuss the I-73 project with you at a later time at your convenience.

Beth, I know that you will be taking over Ramona's projects, and if you would like, we would be more than happy to meet with you sometime and discuss the proposed projects that are going on in the state, like I-73, Carolina Crossroads, etc.

Thanks,

Michelle Herrell
